

How Much Time Do We Spend With God...?

Matthew 25:26-27

New International Version (NIV)

²⁶ “His master replied, ‘You wicked, lazy servant! So you knew that I harvest where I have not sown and gather where I have not scattered seed? ²⁷ Well then, you should have put my money on deposit with the bankers, so that when I returned I would have received it back with interest.

Matthew 25:14-30

If a week was worth a \$100, then how much of this is spent on God?

There are 10,080 minutes in a week. If we spend 5 minutes a day in study or talking to God. Followed by a 60 minute Church service on Sunday. It works out to 90 minutes a week.
 $90/10,080=0.0089$ or 0.89%

If a week is \$100, then $100 \times 0.89\% = 89$ cents. We would not even spend one dollar out of the one hundred that is our week.

Are we as guilty as the lazy servant? I say YES! That we have all buried our time and our Talent!

We have to find ways of spending time with God. Simply as reading the Word at lunch break, or just time in prayer. Or as we head to out to our destination. I challenge all who read this to spend more of your time to be with God. It will help you cope better, and glorify God.
